- New K470 Plus
- Zinc Contact list
- Tradeshow Schedule

Zarges Innovation! - Hood (reverse cover) type case, with an added feature – a hinged lid also! Based on the proven K470 design, this case offers a new approach to the shallow bottom, deep lid case.

Perfect way to store a printer's supplies, without having to remove the printer to access.

- Two basic footprints, three bottom heights, four top heights, special sizes available on request.
- Stackable universal container
- New, innovative, ergonomic, heavy-duty spring loaded handles
- Securable with key lock, lead tamper seals, secondary latch, or padlock
- Removable top section with hinged, sealed lid
- Lid with stainless steel hinge, two lid straps
- Cast-aluminum stacking corners
- Stackable with all K470 cases
- Equipped with the innovative new ZARGES Comfort latches
- As always, custom paint and foam readily available
