Zarges Innovation: the Removable Rack Frame Mitraset

- Featuring the easiest quick release system on the market!
- Allows for system integration external of the case, saving time and money in Production
- Allows for hot swapping entire racks of equipment without un-stacking cases, minimizing system down time
- Integrators can populate the racks in advance of the case's arrival

- Four front mounted, hinged, heavy duty quick release fasteners allow easy removable of the frame
- Same shock isolation system and performance as the standard Mitraset
- Quick ship units will be stocked in Charlotte – details to be announced soon
