Foam Fabrication

Whether it's a basic foam liner, or a complex, custom cushion, the Zarges Tech Center in Charlotte has the engineering and production expertise to exceed the need. Degreed packaging engineers, computer controlled cutting machines, and years of fabrication experience ensure your customer gets the optimum solution.

Some of the available foams:

- Polyethylene
- Polyurethane Ester
- Polyurethane Ether
- Anti-static
- Flame resistant
- ESD
- Convoluted
- Open cell
- Closed cell
