K 470 accessories

- Lifting equipment with TUEV approval

ZARGES K470 cases can be supplied with lifting equipment tested by the German technical inspection agency.

Product characteristics:

- Can bear loads of up to 440 lbs (200 kg) per case.

There are two models available, both are factory fit items.

Model 1: Lifting strap made from synthetic fibers

- Low weight.
- No metallic rattling.
- 4 pieces required per case.

Order No. 357 001

Model 2: Lifting sling made from stainless steel wire

- Easy cleaning and decontamination.
- High resistance to UV rays and chemicals.
- 4 pieces required per case.

Order No. 357 976
